## WELCOME.....

Following "hot-on-the-heels" of the Summer Event we present Variety '92, a celebration of Art and Performance. Over 60 pupils are directly involved in the Variety Show, with perhaps as many again responsible for the production of the artwork display which has been organised by Pete Lyon, Linda Cullis and Clive Gronow.

Performance and Creative Arts are vehicles through which pupils are encouraged to explore feelings and emotions.... Vehicles through which we can all share in their ideas and representations of the world in which they live. It matters little whether those representations are comic or frivolous; satirical or philosophical; tragic or moving.... they all come from "within"... from having the freedom and encouragement to explore their experiences.

Look at the artwork and enjoy the Variety Show. It is our hope that you will not only celebrate the talents of the pupils who made the whole thing possible, but also enjoy the feeling, energy and enthusiasm with which they work.

Thankyou for coming tonight. Have fun!

Alan Jones  
Show Co-Ordinator

## Without Whom.....

It's fairly easy to applaud the talent and abilities of those who present themselves on the stage, after all they are "in the limelight". All "shows", however, rely upon team work and it is TEAM EFFORT which we need to recognise here. The performers have received your praise, but below we list all those who have worked so hard "behind the scenes"...the people who enable the performers to entertain.... the people without whom there would not be a show.
